

NCR Award Tips #5 Awards as listed in eServices

eServices is definitely a challenge especially when it is not updated to meet the needs of our members. Almost every award category is listed in eServices but there are awards listed in eServices which are no longer valid. There are also awards that are not listed in eServices.

This tip is a listing of the award categories as listed in eServices, several of which have not generated an award nomination from our Wings in the past. Possibly because no one even knew the award existed.

NCR has the Region level award that may someday be recognized on the National level noted in Tip #4, honoring the work done by Col David Small Jr. with drones, the Colonel David Small Jr. sUAS Crew Member of the Year Award. That nomination needs to be emailed to Col Erica Williams and Lt Col Anna-Marie Bistodeau. It cannot be found in eservices.

If you recall within the AE Awards noted in CAPF 50-1, 50-2, 5-3 and 50-4 there was one which does not allow you to enter a CAPID since it is for a non-CAP person or organization. Instructions on how to load that nomination in eservices were given in Tip #3.

There is one more award category that is not in eServices. Directions on how to proceed in nominating is given right on the form and in Tip #3. The award I am referring to is the **Aerospace Cadet of the Year** noted on CAPF 50-4. This is different than the Frank G. Brewer Memorial Cadet category award. To my knowledge NCR has never nominated a Cadet for this award.

LET US MAKE THAT NOMINATION THIS YEAR! Please nominate an Aerospace Cadet of the Year.

Steps to Nominate:

Complete CAPF 5-4 Sept 2025

Follow the directions given right on the form.

Keep in mind that the CAPF 50-1, 50-2, 50-3, 50-4 series have been updated as of Sept 2025. No previous editions may be used.

For any questions and or concerns please email Col Erica Williams ewilliams@ncr.cap.gov and or Lt Col Anna-Marie Bistodeau abistodeau@ncr.cap.gov.
